

# DIVERSITY EXCELLENCE SCHOLARSHIP

## TERMS AND CONDITIONS

You were awarded a Diversity Excellence Scholarship (DES). The following are the terms and conditions of your award.

### RENEWAL CRITERIA

Your scholarship renewal is evaluated annually at the end of each spring term. To renew, you must:

- Maintain a 3.00 cumulative GPA for cohorts 2016-17 and forward. All college work toward your current degree will be used in your GPA calculation for the purposes of renewal
- Complete 12 UO credits (undergraduates) or nine UO credits (graduate and law students) at the University of Oregon for each term in which you receive a disbursement of your scholarship
- Meet the conditions of participation in a co-curricular activity in collaboration with your Center for Multicultural Academic Excellence (CMAE) advisor.
- Meet with your CMAE-DES academic advisor once per term during the first two years of your scholarship.

If you don't meet renewal criteria at the time of annual renewal review, you may work toward having the scholarship reinstated in subsequent terms by raising your GPA and/or completing additional credits. Contact the UO Office of Student Financial Aid and Scholarships when you are again meeting the criteria.

### LENGTH OF SCHOLARSHIP

The maximum number of terms you may receive the DES depends upon your class standing at the time you are awarded. Refer to your initial award letter for your exact number of terms of eligibility or ask your CMAE advisor. Extensions to your DES eligibility period are not permitted for any reason. Should you graduate before you reach the maximum number of terms awarded, then your DES eligibility is over and the remainder of the award cannot be used toward pursuing other degrees.

### DISBURSEMENT OF SCHOLARSHIP

One third of your yearly scholarship amount will be disbursed to your Student Billing Account each term in which you are enrolled full time. No more than one third of the scholarship can be disbursed per term.

### SUMMER COURSES

The DES may be used for summer term charges upon a written request submitted to the Center for Multicultural Academic Excellence. You must maintain full-time enrollment at the UO for summer terms in which you receive the DES. Summer term usage counts toward your maximum number of terms.

### STUDY ABROAD

You may use your Diversity Excellence Scholarship for study abroad programs that are through the Global Education Oregon Office (GEO) at the University of Oregon. Any program for which you are not receiving at least 12 UO credits per term is not an eligible program, even if you are made aware of it through the GEO Office.

### COMBINING WITH OTHER SCHOLARSHIPS

The Diversity Excellence Scholarship is a tuition remission scholarship. It cannot be combined with Graduate Employee (GE) positions, and it may be reduced or replaced if used with UO staff tuition rates or other tuition remission scholarships.

### FINAL TERM OF ATTENDANCE

During your final term of attendance at the UO prior to graduation, you may have that term's DES amount in full for less-than-full-time enrollment, as long as you have officially applied for graduation for that term and are enrolled at least half time. You must contact the Office of Student Financial Aid and Scholarships to specifically request disbursement of your scholarship for less-than-full-time enrollment in your final term of attendance. If you graduate prior to using all of the terms of the Diversity Excellence scholarship you were offered, any remaining terms not used will be forfeited.
