PRESIDENTIAL SCHOLARSHIP TERMS AND CONDITIONS

You were awarded a Presidential Scholarship upon admission to the University of Oregon. The following are the terms and conditions of your award.

BEFORE YOU ENROLL AT THE UO

- Maintain honorable grades for the remainder of high school
- Complete all courses required for admission to the University of Oregon
- Do not enroll in any college courses at another institution after your high school graduation date
- Register for full-time enrollment (12 UO credits) for the fall term of your entering year

RENEWAL CRITERIA

Your scholarship renewal is evaluated annually at the end of each spring term. To renew, you must:

- Maintain a 3.25 cumulative UO GPA
- Complete 12 UO credits for each term in which you receive a disbursement of your scholarship
- Not earn any college credits at another institution while a Presidential Scholar, unless you request and are granted permission to do so through the Office of Student Financial Aid and Scholarships.

LENGTH OF SCHOLARSHIP

You may have up to 12 academic terms of the Presidential Scholarship to use for undergraduate study. Your 12 terms of eligibility must be used within five years of your first scholarship disbursement.

SUMMER COURSES

The Presidential Scholarship may be used for summer term charges upon written request to the Office of Student Financial Aid and Scholarships. Summer term usage counts toward your maximum of 12 terms of use. You must provide the Office of Student Financial Aid and Scholarships with a written request to use your Presidential Scholarship for summer term. You must be enrolled full time for any term in which you receive your scholarship, including summer.

STUDY ABROAD

You may use your Presidential Scholarship for study abroad programs that are through the Global Education Oregon Office (GEO) at the University of Oregon. Any program for which you are not receiving at least 12 UO credits per term is not an eligible program, even if you are made aware of it through the GEO Office.

FINAL TERM OF ATTENDANCE

During your final term of attendance at the UO prior to graduation, you may have that term's Presidential Scholarship amount in full for less-than-full-time enrollment, as long as you have officially applied for graduation for that term and are enrolled in at least six credits. You must contact the Office of Student Financial Aid and Scholarships to specifically request disbursement of your scholarship for less-than-full-time enrollment in your final term of attendance.
