ROBERT W. AND BERNICE INGALLS STATON SCHOLARSHIP TERMS AND CONDITIONS

You were awarded a Robert W. and Bernice Ingalls Staton Scholarship upon admission to the University of Oregon. The following are the terms and conditions of your award.

BEFORE YOU ENROLL AT THE UO

- Maintain honorable grades for the remainder of high school
- Complete all courses required for admission to the UO
- Do not complete any college courses at another institution after your high school graduation date
- Register for full-time enrollment (12 UO credits) for the fall term of your entering year

RENEWAL CRITERIA

Your scholarship renewal is evaluated annually at the end of each spring term. To renew, you must:

- Remain in good academic standing at the University of Oregon
- Complete 12 UO credits for each term in which you receive a disbursement of your scholarship

LENGTH OF SCHOLARSHIP

You may have up to 12 academic terms of Staton Scholarship to use for undergraduate study. Your 12 terms of eligibility must be used within five years of your first scholarship disbursement. If you “stop out” and do not attend the UO for more than three consecutive academic terms, you forfeit the remainder of your scholarship.

SUMMER COURSES

The Staton Scholarship can be applied to your summer term courses upon request. Summer term usage counts toward your maximum of 12 terms of use. You must provide the Office of Student Financial Aid and Scholarships a written request to use your Staton Scholarship for the summer term. You must be enrolled full time at the UO for any term in which you receive your scholarship, including summer.

STUDY ABROAD

You may use your Staton Scholarship for study abroad programs that are through the Global Education Oregon Office (GEO) at the University of Oregon. Any program for which you are not receiving at least 12 UO credits per term is not an eligible program, even if you are made aware of it through the GEO Office.

DUAL ENROLLMENT

You must be enrolled in 12 credits at the University of Oregon in a given term for your Staton Scholarship to disburse to your student account, regardless of how many credits you take between the UO and another institution. Having 12 credits between two institutions is not sufficient to qualify for disbursement of your scholarship.

FINANCIAL NEED

You were required to demonstrate a certain level of financial need when you were first awarded the Staton Scholarship. We do not require you to maintain the same level of financial need, nor to complete a FAFSA each year. However, we do encourage FAFSA completion. Your scholarship renewal is not contingent upon future FAFSA data.

FINAL TERM OF ATTENDANCE

During your final term of attendance at the UO prior to graduation, you may have that term’s Staton amount in full for less-than-full-time enrollment, as long as you have officially applied for graduation for that term and are enrolled in at least six credits. You must contact the Office of Student Financial Aid and Scholarships to specifically request disbursement of your scholarship for less-than-full-time enrollment in your final term of attendance.
